RE: 1995 Watermaster Salary Payment

Mr. Westra:

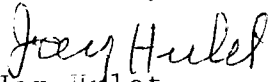

At the District 57D Water District meeting a budget for 1996 was discussed but no delinquency for 95 was mentioned.

I have had no billing on this other than your letter. Who is Mr. Cook, and who should the money be paid to?

I haven't heard from Mr. Shaw concerning my application to divert Sinker Creek water into the new off stream reservoir for saturation purposes.

What is the status of this application?

Sincerely,

Jay Hulet
