RE: 1996 Diversion to Storage in Hulet Reservoir

Dear Mr. Hulet:

Per your request, I am responding in writing to your petition to lower the headgate and begin storage in Hulet Reservoir on October 30, 1996, two days in advance of the decreed diversion to storage of November 1.

IDWR will not authorize diversion to storage in advance of November 1. Any flows held before November 1 will be required to be released into Sinker Creek.

If you have any additional questions, please contact me or the Sinker Creek Watermaster.

Sincerely,
