Re: Elected Officers

Dear Mr. Jones:

I am writing to notify your office of the elected officers, for Water District #29A, for the year of 2002:

- Chairman – Matt Zausch
- ~~Secretary – Larry Packer~~ - died
- Water Master – Robert Zausch

The position of secretary may have to be filled due to the sudden illness and subsequent death of Larry Packer. If this needs to be done prior to the 2003 elections please let me know how to proceed. Please send any information that is usually sent to the secretary to me. I will take over the duties of the secretary until further notice.

Regards,

Matt Zausch- Chairman
