RE: Watermaster for Castle Creek 57C

Dear Mr. Collett:

At the annual Castle Creek Water District meeting you were elected Watermaster for the 2001 irrigation season. Fortunately, you are already familiar with the diversions and order of wateruser priority. Outlined below are the responsibilities regarding record keeping if you are called to make deliveries:

-Before the Watermaster can perform duties, a completed oath must be submitted to the Department. The Department will return send a "Certificate of Appointment," (this places the Watermaster under the State Surety Bond.), copy enclosed.

-Keep a detailed diary of calls, dates, activity, and measurements if taken. The diary should be submitted to the Department at conclusion of the irrigation season. Several daily record books are enclosed.

-Prepare a year end Watermaster Report to be submitted to the Department and the water district secretary. The Department will provide forms and instructions later this fall.

Enclosed are watermaster reports listing the water rights under the SRBA Partial Decree. They are listed by priority and also by last name.

Should you have any questions or need assistance, please contact me at the Western Regional Office, phone 334-2190.

Sincerely,

A handwritten signature in cursive script that reads "John Westra".

John Westra
