Mr. Nestor:

Enclosed are the records we have for Water District 29-B, Garden Creek for 1992, 1993, and 1994. I have called the Secretary of the District and asked him to help expedite the filing of the 1994 Watermaster report.

If you wish a copy of that 1994 report you also might check with your Secretary, Alan Christensen, since we have not yet received a copy.

Sincerely,

Harold W. Jones
Water Resource Supervisor
