Dear Mr. Okelberry;

We have received the minutes of your 1996 water meeting, which show that you have again been elected as watermaster. An oath of office is enclosed; please sign the form before a notary before returning it to this office. Since the district voted to return to a seasonal appointment instead of an annual one, a call-on petition is required before you can be appointed. A petition form has been sent to Kim Cranney for use at the appropriate time. Once the oath and petition have been received in this office, your certificate of appointment will be issued.

Sincerely,

James E. Stanton  
Sr. Water Resource Agent

Dear Mr. Cranney;

We acknowledge receipt of the minutes of your 1996 water meeting, and of your 1996 adopted budget. As you have been elected as treasurer again this year, an oath of office is enclosed. Upon receipt of the notarized oath, a certificate of appointment will be issued. Since your district has voted to return to a seasonal appointment of the watermaster, a call-on petition is also enclosed. The watermaster will not be appointed until we receive the petition signed by at least one water use.

Sincerely,

James E. Stanton  
Sr. Water Resource Agent
