Dear Jack;

Mr. Ray Jackson has requested that I write to you concerning delivery of water into a stock pond he owns in the NE $\frac{1}{4}$ NE $\frac{1}{4}$  Sec. 1 T. 12S R. 13E. The microfiche record does not show any connection between this pond (License 47-02452) and Roseworth Reservoir. Mr. Jackson stated that Roseworth water has been used to fill this pond for many years. It appears that the water is stored reservoir water rather than licensed water. As long as the rights for Roseworth Reservoir allow delivery for stockwater, it appears to be acceptable to deliver reservoir water to this pond. Mr. Jackson stated that the Cedar Mesa Reservoir Co. has agreed to this delivery.

Sincerely,

*James E. Stanton*
