Re: Water District 47-C

Dear Mr. Luke:

This will acknowledge receipt of a copy of the Order from your Department signed by Mr. Higginson May 26, 1994, regarding measuring devices on Deadwood, Devil, and Cedar Creeks, which comprise Water District 47-C.

Your review of the records will indicate that there are a number of diversions from House Creek, which is a tributary to Cedar Creek, and some diversions on Little House Creek. It appears to me that in order for this matter to be handled properly, diversions on these other two streams must also have appropriate measuring devices and diversion works. Thus, it would appear to us that these other two streams should be included in the Order.

If you desire to discuss this matter with me, please feel free to call me.

Sincerely yours,

  
JOHN R. COLEMAN
