Dear Mr. Coleman;

We have received the 1996 watermaster report for this district, and the 1997 proposed budget. Enclosed are approved copies of the report for Twin Falls & Owyhee Counties. Copies have also been sent to the auditors of these counties.

What we have not received are the watermaster's daily records as required by Sec. 42-606 of the Idaho Code. These are normally recorded in the daily record books provided by the Department. These books are available upon request from this office. While we have not required this data in the past, we will be from now on. If this information is available, please forward it to me at your earliest convenience.

Regards,

James E. Stanton
Sr. Water Resource Agent
