

IN THE MATTER OF)
 CREATING A WATER) PETITION
 DISTRICT ON BIRCH)
 CREEK TRIBUTARY)
 TO MARSH CREEK)

Birch creek has been adjudicated by the district court in the case of Wakely vs Wakely. The water users of Birch creek are being impacted by upstream development and recognize the need for a water master as authorized by chapter 6 of Title 42 Idaho Code. The water right holders of Birch creek hereby petition the director of IDWR to create water district 29 for the purpose of providing for a state watermaster to regulate the diversion of water. Signed at Pocatello Idaho this 12th day of April 1995.
