Dear Kirk;

We have received the minutes of this year's water meeting, your 2001 adopted budget, and a copy of the 2000 watermaster's report. These items were sent to our Boise office; please send all future correspondence directly to me. While the minutes do not show that you have again been elected as treasurer of your district, I am assuming that you have retained this office from last year (although we never received a notarized oath of office). Or does Cassia County handle your district finances? In the event that you handle the money, an oath office is enclosed for your signature. Once we receive your notarized oath, a certificate of appointment will be issued.

On a side issue, we still have not received payment for your Golden Valley groundwater allotment for this season. \$131.63 is due before you are authorized to divert any of this water.

Regards,

James E. Stanton
Sr. Water Resource Agent
