Dear Mr. Okelberry;

Although we have not yet received the minutes of this year's water meeting, based on your telephone call I assume that you have again been elected as watermaster of your district. Therefore, enclosed are an oath office for your signature and a petition for watermaster services. Once we receive your notarized oath and the petition signed by at least one water user, your certificate of appointment will be issued. Apparently you do not use our daily-record books to record your deliveries, so none are included here; let me know if you need any.

Regards,

James E. Stanton
