Hi Jim.

Thanks for getting a hold of me. I hadn't been able to reach anyone from that district. So, didn't know when the meeting was. I called Kirk Woodhouse. He thought it might be better if the meeting were changed to give everyone time to get a notice mailed to them.

He changed the meeting day to the next Monday, January 13th. Time will still be at 10:00 a.m. and it will be at Cranney Brothers Accounting Office, 1310 S 600 W, Oakley.

He's going to call the water users in the district to let them know that the meeting will be the 2nd monday instead of the 1st monday.

I'll mail the notices tomorrow morning.
