Dear Ms. Bradley:

Thank you for your letter advising us that you are to be Watermaster of Water District 29-B for the 2000 irrigation season. In November we sent a packet of forms to the secretary of this water district which included the Oath of Office.

We are sending a second packet to you. We need your Oath of Office, Minutes of the Annual Meeting, and the Adopted Budget for your district to complete the certification process. Also needed will be the Petition for Watermaster Services. The enclosed information sheet on the water district is also helpful to ensure we have proper addresses, phone numbers and officers.

Thank you again for your letter. It is appreciated. We will complete the certification process as soon as we receive the completed forms.

Yours truly,
