RE: Water District 45-K, Cottonwood Creek

Dear Sirs;

We have finally received the minutes of this year's water meeting showing that you were elected as watermaster of this district for 2003. Your term of service has already ended, so I do not plan to issue your certificate of appointment. If you wish to submit a watermaster's report for this season, however, forms are enclosed for that purpose. And since this seasons' deliveries form the basis for next year's budget, you will probably need to do this for the district even if not for IDWR. Proposed Budget forms are also enclosed for your use.

Please submit one copy of each completed form, along with any daily records of water deliveries, to this office prior to next year's water meeting in January. If I can be of further assistance, feel free to contact me.

Regards,

James E. Stanton  
Sr. Water Resource Agent
