Dear Mr. Mullins;

Per your request, we are returning the 2001 Watermaster's Daily Records books (5) to you. Also enclosed are two Watermaster's Report forms for your use. A copy of my letter regarding the original report is also enclosed for your information. Since the original report has apparently been lost, I hope these documents will allow you to create a new report for submittal to this office. I would suggest that you always keep a copy of the report before submitting an original to this office for approval.

Regards,

James E. Stanton
Sr. Water Resource Agent
