Dear Clint;

We have received your 2004 Watermaster's Report. But we still have not received your 2004 adopted budget, so I cannot check the accuracy of your Report. I will hold the Report without further action until the adopted budget is received. We also need whatever records you have of your daily water deliveries.

Regards,

James E. Stanton

RE: Water District 45-B, Birch Creek

Dear Clint;

The minutes of this year's water meeting show that you have been elected to yet another watermaster position. An oath of office is enclosed for your signature. Once we receive your notarized oath, a certificate of appointment will be issued. Let me know if you need any daily-record books for this year.

This district was a mess last year, as we never received the minutes of the annual meeting. As a result, no watermaster was appointed. No proposed or adopted budgets were received, and no watermaster's report was turned in by Mr. Nelson. Hopefully things will be better this year.

Regards,

James E. Stanton

Dear Mr. Robinson;

The minutes of this year's water meeting show that you have again been elected as treasurer of your district. An oath of office is enclosed for your signature. Once we receive your notarized oath, a certificate of appointment will be issued.

Idaho law requires the treasurer of a water district to submit a copy of their adopted budget to this office after the annual water meeting. Twice last year I sent you the appropriate forms, but you did nothing either time. Two more forms are enclosed for your use, and I expect compliance this year. Your appointment may be withheld or cancelled if you are unable or unwilling to fulfill the statutory requirements of your position.

James E. Stanton
