Water District: 45-A, Basin Creek

Dear Ms. Zollinger;

We have received the minutes of this year's water meeting, and your adopted budget for 1996. We have not yet received your 1995 watermaster's report or proposed budget. The Idaho Code requires that certain documents be submitted in order for a watermaster to be appointed; a copy of Sec. 42-600 is enclosed for your information. Until the required documents are received in this office, we will consider that District 45-A is inactive; no watermaster or treasurer will be appointed.

If you require assistance, feel free to contact me.

Sincerely,

James E. Stanton
Sr. Water Resource Agent
