Dear Mrs. Zollinger;

Per our discussion, enclosed are oaths of office for watermaster and treasurer, four proposed-budget and forms, and two watermaster-report forms. There are instructions on the backs of the forms. Since 1995 is already over, it is up to you whether or not you submit a proposed budget for last year; we would like to see a 1995 watermaster's report, however. Upon receipt of a 1996 proposed budget and notarized watermaster's oath, Mr. Fairchild will be appointed as watermaster for this year. Upon receipt of your notarized oath, you will be appointed as treasurer for this year. There is a standard field book for watermasters to use to record their water deliveries, so I will send some of these along with Mr. Fairchild's certificate.

If I can be of further assistance, feel free to contact me.

Sincerely,

James E. Stanton
Sr. Water Resource Agent
