April 28, 1995

Water District: 45-A, Basin Creek

Dear Ms. Zollinger;

We have received the minutes of your 1995 water meeting and your adopted budget, so apparently you plan to be an active water district this year. Since the required documents were not submitted in 1994, you were not a legally-constituted water district last year. We have not received your proposed budget for this year, either.

Since the watermaster is now elected to an annual term of service, no call-on petition is required. However, we still need an oath of office for Mr. Fairchild before he can be appointed as watermaster. An oath-of-office form is enclosed. Once the notarized oath is received in this office, a certificate of appointment will be issued.

We also issue an appointment certificate for water-district treasurers, but you did not elect a treasurer at your meeting. It appear that two thirds of your adopted budget will be paid from existing district funds, as your billing adds up to much less than the total budget.

If you have any questions, please feel free to contact me.

Sincerely,

James E. Stanton
Sr. Water Resource Agent
