Dear Mr. Bell;

We have received your proposed and adopted budgets, the minutes of this year's water meeting, and other documents. While the Adopted Budget says that Cassia County collects and holds the district's funds, the minutes seem to indicate that the District has a bank account with Wells Fargo. You are only a treasurer if you actually handle District funds, in which case you need to be appointed to that position by IDWR. If you do not directly handle District funds, you have discharged your duties for this year. An oath of office for the treasurer is enclosed for your signature if necessary. If we receive your notarized oath, a certificate of appointment will be issued.

If I can be of further assistance, feel free to contact me.

Regards,

James E. Stanton
Sr. Water Resource Agent

P. S. If you wish to submit new budget documents based on a different format, feel free to do so.
