RE: Raft River Rights

Dear Mr. Sundberg:

Based on our phone conversation yesterday, I have queried the two databases for rights with Raft River as a source. Please find enclosed the listing of these rights. The first list is of the present "Water Rights Database" marked with Blue. The second list is of the "Adjudication Claims" marked with Red. Both lists are sorted by name.

If you would review these lists maybe you could sort out which records you are interested and then we can produce another more detailed report of these individual records.

Please call if you have questions.

Sincerely,

Allen Merritt, PE
Southern Region Manager
