RE: Water District 43-C

Dear Mr. Hutchison;

We are returning your 1993 watermaster report and 1994 proposed budget, as these documents are not complete. In the proposed budget, you left out the data for the proposed 1994 budget. The watermaster report does not include the 1993 adopted budget amounts, and the debits and credits based on actual water usage.

In the future, we would prefer that these documents be completed in ink instead of pencil. Watermaster records are eventually photocopied for our permanent records, and ink makes better copies. Pencil is OK this time, since these two documents are nearly complete.

Sincerely,

James E. Stanton
Sr. Water Resource Agent
