Dear Mr. Hutchison;

Per the verbal request of Alvin Carpenter, I am issuing your certificate of appointment as watermaster of your district for this irrigation season. I sent you a letter this morning stating that we would wait 10 days or until two more signatures on a call-on petition were received, so ignore that, as the mail had already gone out by the time Mr. Carpenter called.

Regards,

James E. Stanton

Dear Mr. Hutchison;

We have received your notarized oath of office as watermaster of your district, and a signed call-on petition for watermaster services. However, the form was signed by only one water user (Robert Parke). Although this is sufficient under state law, your district voted to require three signatures. As a courtesy to the District, we will wait until May 12 before issuing your appointment certificate (unless we receive two additional signatures before then). Another call-on petition is enclosed for your use. Be advised that you are NOT a watermaster until the appointment is issued. I left a message on your cell phone Wednesday, but you did not respond, so this letter will have to do.

Regards,

James E. Stanton
Sr. Water Resource Agent
