Dear Mr. Durfee;

As you have been elected as the new watermaster of your district, an oath of office is enclosed. A call-on petition signed by one water user is also required before you can be appointed as watermaster, and a petition is also enclosed. Once we receive your notarized oath and the signed petition, your certificate of appointment will be issued. You are not authorized to deliver water until appointed.

A watermaster's daily record book is enclosed for your inspection. While not required, these books are a handy way to record your water deliveries on a daily basis. If you need more books, let me know.

Per your request, a water-measurement boobklet is enclosed. A card with flow-rate conversions is also enclosed for your information. If I can be of further assistance, feel free to contact me.
