Dear Mr. Ward;

As you have been elected as watermaster of your district for the 2001 irrigation season, an oath of office and a petition for watermaster services are enclosed for your use. Once we receive your notarized oath and the petition signed by at least one water user, a certificate of appointment will be issued. You will be expected to turn in your daily records of water delivery along with your watermaster's report at the end of the season; we have booklet forms available for recording deliveries, or you can use another method of your own choosing. Let me know if you need any of the booklets.

Per your request, an Adopted Budget form and an oath of office for use by Gary Jones are also enclosed. As secretary of your district, he is responsible for submitting the adopted budget. Once we receive his notarized oath as treasurer, a certificate of appointment will be issued.

If I can be of further assistance, feel free to contact me.
Regards,

James E. Stanton

Dear Mr. Ward;

We have received your notarized oath of office and a signed call-on petition for watermaster services. Your certificate of appointment is enclosed. Five watermaster's daily record books are also enclosed; let me know if you need more. I wasn't sure what you meant by a water measurement scale, so am enclosing a booklet on this subject and a paper copy of a staff gauge. Our staff gauges are made by Leupold & Stevens of Beaverton, Oregon; contact them directly if you need one.
