RE: Letter dated January 14, 1994 sent to Loren Holmes.

Dear Mr. Hope:

As promised, I have inquired about the letter you sent to Loren Holmes among the staff here in the office. I asked Jim Stanton who is responsible for the water district program and Allen Merritt who is now the regional manager to check their files and they have not been able to find a copy.

Please send me a copy of the letter again and I will acknowledge the copy within 24 hours and see that you receive a follow-up phone call or letter as soon as possible.

I apologize again for the unreasonable delay in responding to your letter and will look forward to receiving a copy from you.

Sincerely,

Frank
