RE: INVOICE TO WATER DISTRICT 33 FOR STAFF GAGES

=====

I would like the Department to submit a bill or invoice to State Water District No. 33, Little Lost River Basin for partial reimbursement of four water level staff gages. Earlier this week I gave the District three Stevens Type A steel staff gages, 0-3.33 ft., and one Stevens Type C steel gage, 0-3.33 ft. I informed the district watermaster that the Department would request reimbursement for the gages at a cost of \$25.00 each. Please remit a bill to:

Water District 33

P.O. Box 31
Howe, ID 83244

Note: IDWR cost for Type A and Type C gages is \$37.00 and \$25.00 each respectively. The reduced cost passed to Water District is a type of cost share (about 1/4 cost by IDWR) to assist district with water distribution and measurement.
