

3/19/2001

The numbers on this page "5-Year Average Computations" (date stamped Mar 21, 2000) do NOT agree with the numbers for corresponding years from the 1999 IRRIGATION SEASON (I'm not sure what this page has to do with anything!)

I used the Average cost page from the 1999 folder for Water District 33

Kent Wilson

SR RESOURCE AGENT

WATER DISTRICT NO. 33, LITTLE LAKES RIVER

MAR 21 2000

5 - YEAR AVERAGE COMPUTATIONS

Department of Water Resources
Eastern Region
