

Big Lost River Advisory Committee
Schedule and Topics for Future Meetings

It was decided that the following topics would be made the subject of meetings during the months of November and December 1989 and the early part of 1990. All meetings will be open to the public and will be held in the Magistrate Courtroom in Arco beginning at 1:00 pm.

November 29 - Hydrogeology of the Big Lost River basin

December 13 - State Water Laws and Regulations

Future Local water decrees, Plan of Operations, etc

Future Identification of Problems, Issues and
 Opportunities

Future Options and Recommendations

Each committee members was asked to write down his descriptions of the problems and issues confronting the basin and send these to the Department prior to the November 29th meeting.

We need to:

1) Gather together and send Committee copies of all hydrogeologic information

2) Send "minutes" on November 7 meeting

3) Prepare name and address list of committee members

4) Contact USGS and other potential presenters to ask for their participation in November 29 meeting

5) Alert Phil Rassier, Irrigation District, Water Master and others of future planned discussion topics and invite their participation. We should also begin to assemble information to be distributed at such meetings.

6) Decide on press release or other public notification of future meetings

7) Begin compilation of list of issues and problems which will be aided by the lists requested from the committee members.
