Re: **Attendance at Hearing Scheduled for January 12, 2005**

I received two phone calls regarding the hearing scheduled in Mackay on January 12, 2005. The information that was conveyed by the callers is as follows:

On December 17, 2004, Bruce Blackmer called to say that he had a business conflict that prevented him from attending the hearing. However, he said he "advocates the hearing." I understood him to mean that he is in favor of what the hearing will resolve. His phone number is (208) 527-8557, extension 108. Note: Mr. Blackmer's name was included in the list of parties that the Rigby law firm is representing.

On December 20, 2004, Tony Alosi contacted me to say that he was unable to attend the hearing because of vacation plans, but that the Rigby law firm would represent him at the hearing. His phone number is (208) 339-1333.

If there is any additional information the department will need from these participants, please let me know and I will contact them.

The hearing is being held in response to the protests, or requests for hearing in response to the Order issued July 12, 2004, and the Amended Order, Order to Show Cause, and Notice of Status Conference, issued July 23, 2004, in response to the Jensen's Petition for Delivery Call, received by the department June 28, 2004.
