Dear Mr. Robinson;

We have received your oath of office. We still have not received your 1994 proposed budget. We would normally not issue your certificate of appointment as watermaster until all required paperwork is received from the district. However, due to the late date, your certificate of appointment is enclosed. Please submit the proposed budget at your earliest convenience. You are reminded that no water deliveries are authorized until we receive a petition for watermaster services signed by at least one member of your district; a petition form is enclosed.

Sincerely,

James E. Stanton
