Dear Mr. Robinson;

While I have been told that you have again been elected as watermaster of your district, I have seen nothing in writing to verify this. We have not received the minutes of this year's water meeting, the adopted budget, a notarized oath signed by you, or a petition for watermaster services. You cannot be appointed as watermaster until we receive these items. If you deliver water without being officially appointed, you are not covered by the State's bonding authority. If I receive the minutes verifying your election as watermaster, an oath of office and call-on petition will be sent to you.

Regards,

James E. Stanton
Sr. Water Resource Agent
