Water District: 41, Rock Creek & Tributaries

Dear Mr. Permann;

We have received the minutes of this year's water meeting. As you have again been elected as treasurer of your district, an oath of office is enclosed. Once we receive your notarized oath, a certificate of appointment will be issued.

We still have not received your adopted budget. My notes from last year indicate that you do not submit an adopted budget, but this is REQUIRED under Sec. 42-612 & 613 of the Idaho Code. It is my job to check the accuracy of the watermaster's report at the end of the irrigation season, and I cannot do this without a copy of the adopted budget. Two copies of the budget form are enclosed for your use; make more if you need them. A copy of these code sections is also enclosed for your information.

Regards,

James E. Stanton
Sr. Water Resource Agent

Dear Mr. Robinson;

As you have again been elected as watermaster of your district, an oath of office and call-on petition enclosed. Once we receive your notarized oath and the petition signed by at least one water user, your certificate of appointment will be issued. Although duly elected by your district, you are not legally a watermaster until appointed by this Department. Last year, you were not appointed until the irrigation season was nearly over. And although you are supposed to submit a proposed budget prior to the annual water meeting, we still have not received this item; budget forms were sent to you in December.

Regards,

James E. Stanton
