Re: Annual Water District Meeting Notice

Dear Mr. See:

Enclosed with this letter is a short form which provides the Department information about the date, time and location for your next water district meeting. You should complete and return the form to the Department no later than December 1, 1998. Upon receiving the form, the Department will print and mail meeting notices to water users within your district. Please make certain that the information on the form is accurate and legible.

Also enclosed with this letter is the Department's current mailing list which is used for your water district to send annual meeting notices. We ask that you review the list and make any necessary name and/or address changes. The edited list should be returned to the Department with the enclosed meeting information form no later than December 1. The Department must depend on the water district to provide an updated listing of individuals who wish to be informed of the annual water district meeting. If the existing list is not updated then the Department can not guarantee that all interested parties and/or valid water right holders will be notified of the annual meeting.

If you are no longer the acting water district secretary, please see that this correspondence is sent to the current secretary or watermaster, or return the correspondence to the Department as soon as possible. If there are questions concerning this matter, please contact me at 327-7907.

Sincerely,

A handwritten signature in cursive script that reads "Tim Luke".
