Dear Mr. Marshall:

I would like to begin the rounds of monthly measurements in Ground Water District 63S on Tuesday, June 3. I plan to conduct measurements on the first Tuesday of each month; if you have a conflict with this, please let me know. Enclosed is my proposed plan for conducting the measurements, and a map showing the geothermal wells and spring in 63S. If you have any questions, please call me at 327-5455.

Sincerely,

A handwritten signature in black ink that reads "Ken Neely". The signature is written in a cursive style with a long horizontal stroke extending to the right.

Kenneth Neely, Water Master for Water District 63S
Hydrology Section
