RE: Water District 37-U, Fish Creek

Dear Ms. Tanner;

We still have not received your 2002 proposed and adopted budgets, nor the minutes of last year's water meeting. These documents are required by law for all active water districts. You were appointed last year on "good faith" that you were the duly elected watermaster. But I cannot approve your watermaster's report for last year without these documents, and will not appoint you as watermaster for the 2003 irrigation season until this year's documents are turned in to this office. Forms for last year's report and this year's proposed and adopted budgets are enclosed; if you need more forms, let me know.

Regards,

James E. Stanton
Sr. Water Resource Agent
