RE: Water District 37-U, Fish Creek

Dear Ms. Tanner;

We have received your 2003 Watermaster's Report and 6 daily-record books, and your 2004 Proposed Budget. The Report is being returned for correction. By not including the 78 24-hour second feet of water delivered to Charlot Brown, your cost figure was too high. Instead of \$4.31 per delivered unit as stated, the correct cost is \$4.28. If this is not corrected, the largest users will overpay by as much as \$17. Blank forms are included for your use.

Regards,

James E. Stanton
Sr. Water Resource Agent
