Subject: Little Canyon Creek Billing List

Hello Teresa,

Attached you will find an updated version of the Little Canyon Creek Billing list without the BLM rights. I have also excluded all of the rights that were not claimed in the Snake River Basin Adjudication. It is doubtful at this point that those rights will ever be revived. Therefore, they shouldn't be delivered. I checked on all of the ownerships, and all of the owners are correct according to our records. Any changes in address or ownership that haven't been recorded on any of these rights at this time, will need the owner to come in and personally change the ownership information. You may want to contact any individuals that you know who have purchased one of these rights to get in and correct their water right records. You should also check the addresses against your list. You probably have a better address list then we do.

I will mail a copy of this as well to make sure you get it. If you need anything else let me know. I will do my best to get you what you need.

Thank you,

Daniel A. Nelson
