

John

I found these minutes that I thought I had brought to you. Sorry about that.

Something we should stay on top of is the Courts decisions on changing our time of use, if they change it. Should we have our meeting earlier & appoint a watermaster or does the old one take care of things?

So many decisions:

John Mc Callum put forth discussion on handling
our creek like Canyon Creek with the watermaster to

to determine call out fee to be charged to offending party. Watermaster would notify secretary how each call should be charged. This way the people not calling the watermaster would only be charged if they were using more water than their share. Second by Bill Walker
Unanimous.

Budget. \$300⁰⁰ to State Workmen Comp. -
Watermaster school \$100⁰⁰ or Water Resource charge
Call out fee for creek \$50⁰⁰ per creek per call.
Lee Motioned that budget be approved John McCallum
second. - Unanimous.

Budget for this year will be paid with money on hand from previous years. 800⁰⁰ + interest on hand. Lee Blackwell moved to pay Sec. 50⁰⁰ for postage. ^{Sec by Bill Walker} Unanimous

There will be a \$500⁰⁰ assessment divided by the number of users (provided it is needed) This to be billed first of the year by Secretary. Motion by Lee second by John McCallum - Unanimous.
This would cover both creeks.

Meeting adjourned by Chair Sam Blackwell

Respectfully submitted Sec.
