***RE: WATER MASTER LIST FOR COLD SPRINGS CREEK***

Dear Ms McCallister:

Enclosed is the current official list for delivering water on Cold Springs Creek. As I told you on 5/23/2000, this list needed to be reformatted and double-checked. I completed this work on the list and am sending you a copy of the list. Copies will also be sent to various individuals and to watermaster file. Please deliver the waters of Cold Springs Creek according to this list of water rights. I also included copies of the lists I used to compile the official watermaster list for your records.

I have also included a copy of the letter from Half Moon Ranch requesting the Idaho Dept. of Water Resources to intervene and help you deliver the waters of Cold Springs Creek. This letter was the reason that I came down to inspect of the points of diversion on Cold Springs Creek.

If you have any concerns or need any assistance in administering the waters of Cold Springs Creek, please contact me immediately and I will come down and help you as soon as possible. Please remember to keep accurate reports of the work you are doing for your watermaster report. I would also like to remind you to make your measurements independently of any of the water users on the creek. If you have any kind of trouble call us before putting yourself in a volatile situation.

If you have any questions please contact me at the above address.

Respectfully,

Boise, Idaho 83705-5082

Dear Mr. Spackman:

Further to my letter, dated May 22, 2000, to Mr. Dan Nelson, Water Resource Agent for the IDWR, we still have not received any kind of response from Sheryl McCallister, watermaster of Cold Springs Creek, regarding our request for more water.

We have no choice but to ask for her removal as watermaster. With that, we hereby petition you and anyone under your jurisdiction based on Idaho Code Sec 42-605, Subsec 9 to have her replaced for failing to perform her duty as watermaster of Cold Springs Creek and more specifically, for not responding to our request for properly administering the water on the said creek.

Please consider our petition quickly and carefully as we are in a very precarious position right now heading into June with no one to rely upon to properly administer our decreed water rights.
