

MINUTES FOR THE GOUND WATER DISTRICT 63-S (Stewart Gulch)  
MEETING ON MARCH 8, 2007

PRESENT:

Helen M. Miller  
Ken Neely  
Joe Terteling  
Andrew Terteling  
Dave Hendrickson  
Garnette Monnie  
Lori Graves  
Vicky Music  
Ed Squires  
Rose E. Ryan  
Mary E. Ryan

Minutes from the March 2007 meeting were read and approved.

**Treasurer's Report:**

1. The checking account has a current balance of \$675.92 and all bills have been paid to date.
2. Dave will send use each a bill for our assessment due.

**New Business:**

1. The water master's report from Oct. 1' 05-Sept. 30, 06 (water year) was discussed.
2. The withdrawals from 2006 were lower. The wells at 36<sup>th</sup> and Hill Road were shut down and the Quail Hollow well was not used to extent as in the previous year,
3. Water masters bill for 2006-2007 was \$2801.37.
4. Lori discussed the requirements for monitoring of wells in our district. She talked about frequency and measurement of the wells. We will need to discuss when we need to monitor and how many times.
5. We need to consider the order of the Boise Front agreement
6. Discussion about the settlement agreement between Edwards and Terteling and they may need to monitor more frequently than the rest of the wells in 63-S.
7. Elected Ken Neely as our water master.
8. We set the next meeting date for Thursday, March 13, 2008, at 1:30 at the Quail Hollow Golf Course Clubhouse.

Meeting adjourned 2:20 pm.

Submitted,

Mary E. Ryan

3/8/07 WD mntg notes

1. actual monitoring requirements with regards to frequency per orders
2. Over monitoring - only necessary during peaks + lower - continuous monitoring by Ken has established peaks + lower maybe eliminate spring + fall - same district &

Tertling + Edwards subject to Base Front reporting + settlement (xfer 68558).

Next mntg 3/13/2008

Draft Settlement

SNBA agreement: proposal for WD to establish monitoring

\* will include proposed monitoring frequency per Ed Squires
