2006 Water Meeting Minutes Harts Cr, Picket Cr, & Catherine Cr.
January 10, 2006

Chairman called meeting to order at 1:10 p.m.

Read minutes from last years meeting, and reviewed last years water use. No problems were brought to attention at the meeting.

Rohl filled out the Water Masters Report, at the meeting and it was given to the IDWR representatives.

Bill White was elected Chairman/Secretary.

Rohl Hipwell was elected Water Master.

The department of water resources will send the Water Masters Oath and Petition; they will be filled out and returned with a copy of the water meeting minutes.

The Advisory Committee will be the water master and chairman and one other water user, or if need be the water master or Chairman and two other water users.

Duties of the water master will commence on March 1st 2006. It was decided that if the water master needs wages, the water users having the problems will be charged to pay the water master. The wages will be decided by the advisory committee and the water master.

New business: Talked about the water permits up Picket & Bates Cr. Because of the way the land and the water rights have been broken up, there is no way for the water to be delivered to the appropriate property. **This is going to be a big problem in the years to come.**

Meeting adjourned at 1:45 p.m.
