To: Smith Creek Water District
From: J. Westra, Western Reg. JFW
Date: 8/28/07

RE: Follow up of Smith Creek. - Water Rights.

- Chris Reeves - 866-6971

Was going to check with Alvin Davison on pumping water from the creek - I stated to let me know what he found. . Could purchase some water rights if desired or drill well as water source.

- Faddis - see handwritten note from Denver
8/27/07.

10/17/07 Bob Faddis - Phone

Discussed options - cistern, well, moving WR from Uolly. Will continue to work on finding water rights from Belnap.

2/7/08 Elmer Ireland, Chairman 63B 2008 Meeting
- Set meeting date 2:00 PM March 3rd Randy Davison Res.

Memorandum

Smith Creek Water District

Meeting with Randy Davison--Follow-up

From: J. Westra

Date: 8/22/07

Check List Follow-up

-Late Claim information for Nauerth Rights 63-109 & 63-110

Information in the envelope.—take a look to see if this will work.

Fees: \$100 Late claim fee

\$100 Filing Fee

\$2.00. acre

You will have to provide documentation/proof these rights have not been abandon same as your other rights. You have to deal directly with the SRBA court on these because it is a late claim.

-Enclosed are Water rights where there was no SRBA claim filed—high-lite yellow on summary.

-Nevada Folks: Douglas Gross NE-SW Sec 16 2N- 7E

835 N 7th E

Mtn Home Id 83647

Looks like there is not water use from photos, I think we are OK here.

-Cabin & Acreage Butts Again Gross—We found Pump in Creek, left note
