Hi Brandi -

I attached the form you can add to your computer setup. Please remember to send a copy to the applicant for the "6/15" heads-up that we discussed today. Feel free to refer applicants to me if they press you for more info than you feel comfortable trying to explain etc.

Thanks for taking the time to visit the office today. That was helpful to me to sit down and talk with you about those things.

Steve

p.s. if people ask you for email contact info for this office, please refer them to the following generic mailbox - it helps us manage our work time better. But you can send your emails directly to staff as you have done.
