Subject: Water Measurements

Steve,

I'm not sure who needs the information I've attached to this email, so I'm sending it to you. I realize that I needed to send this info to you earlier...hopefully it's not too late. The attachment is water measurements for this past year. Bosco recently informed me that he would send IDWR an Excel format via email, and the book via USPS. I misplaced my book and only recently found it. Please give this information to however needs it. Thanks much, and again...my apologies.

Thanks,

Brandi Horton
