Ron:

I reviewed the water right files and found 260 unique acres served under those rights as outlined in the attached table. Please let me know if you need more information on this one.

Steve,

As per our phone conversation, I need to learn the total unique irrigable acreage as allowed by the water rights for the Faull Ranch Estates, Owners Association. We list in the river accounting system, the following water rights as being delivered from at Hydro # 13246975.

65-7347
65-9417 A
65-2858 A
65-2858 B
65-22725
65-22713
65-10963

Thanks for your help with this, as I mentioned, I have been wrong two years in a row now.

Thanks, Ron Shurtleff
