Re: Paul Chartrand

Dear Steve:

Mr. Chartrand came into my office concerning your recent confrontation with him and his employees.

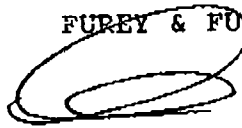

I understand that you stated that the Chartrands have no water rights when, in fact, they do.

I have enclosed a copy of a printout from the Idaho Department of Water Resources indicating the water rights which they have on their property.

If you have additional information which is contrary to the enclosed printout, please deliver such to my office, otherwise, demand is made upon you to cease your interference with Mr. Chartrand's use of his water rights.

Sincerely yours,

FUREY & FUREY, Chartered
