

March 6, 03

These are the records I have prepared over the last few years.

What else can I do to make them pass. I have limited time for paper work.

(Sent spread sheets from 1996 - 1999 to Boies for filing)

John Tracy

Received a spread sheet for each year since 1996. We have received nothing else. Harold Jones called Bob Foster in Salmon & asked him to get items like Proposed Budget, Oath & Petition before we can certify a watermaster.
