Salmon, Idaho, April 11, 192000

I HEREBY CERTIFY that the within is true and correct copy of the budget as adopted at the annual Water User's Meeting of Water District No. 74-B, held at Lamar Cockrell Residence on the 13th day of March, 192000 and all resolutions adopted at said meeting pertaining to the time and the manner of collecting the amounts provided for in the said budget.

Mona Cockrell
Secretary, Water District No. 74-B

March 13, 2000

Waterusers discussed the fact that water hadn't ^{been} used on the Charlie Semmons place for almost 50 yrs. Secretary Mona Cockrell said the Water Dept. said we still had to show his name in our records. Garry Merritt asked that we requested of ^{THE WATER DEPT} them the law # that we have to keep him on our books, also just what his right is.

Steve made the motion that if water is divided down the ditch from the weir that it is the responsibility of the waterusers to report it to the watermaster (no. of inches to each pipe)
Sec. collected by Garry Merritt, and unanimously approved.
Water pack doesn't look good according to Garry Merritt

Steve wanted to clarify that the above motion shouldn't become a problem with users feeling they never received their full water right.

Some concerns about the Dept. of Water Quality and how it might impact the creek.

Steve motioned that we accept the budget with Joe Miller seconded it. Passed.

LaMar was nominated for watermaster and Mona for secretary. Garry called for nominations to cease.
